Recipe By: Diabetic Living Magazine

"Seek out several varieties of heirloom tomatoes for this simple salad. Sweeter and juicier than conventional tomatoes, they add the perfect pop of color."

Ingredients

- ¼ cup chopped fresh basil, plus more for garnish
- 3 tablespoons lemon juice
- 2 tablespoons olive oil
- 2 teaspoons Dijon mustard
- ¼ teaspoon salt
- ½ teaspoon ground pepper
- 4 large firm multicolor heirloom tomatoes, sliced
- 2 medium English cucumbers, thinly sliced
- ¾ cup crumbled feta cheese

Directions

- 1 Whisk basil, lemon juice, oil, mustard, salt and pepper in a large bowl. Arrange tomatoes and cucumbers in a serving dish. Drizzle with dressing, sprinkle with feta and top with basil, if desired.
